12 Time Limits

12.1 For fleets 1 to 7 inclusive the time limit for the leading boat shall be 3 hours. Boats failing to finish within 1 hour of the leading boat shall be scored as Did Not Finish without a hearing. This changes RRS 35, A4 and A5.

Boats failing to finish within 20 minutes of the leading boat may be scored as Did Not Finish; however the Race Officer may award finishing positions and times to boats still racing to help them get a finishing position. The Race Officer's finishing position and time decisions are final and will not be grounds for a competitor to seek redress. This changes RRS 35, A4 and A5.

13 Scoring

13.1 For fleets 1 to 7 a boat's score will be equal to its race score.

13.2 For fleets 8 and 9, and any extra class fleets, a boat's score will be the sum of a boat's race scores in all races sailed.

14 Protests, Rule Disputes and Requests for Redress

14.1 The Exoneration Penalty, Advisory Hearing and RYA Arbitration of the RYA Rules Disputes Procedures will be available during this event. See the official notice board for details.

14.2 A competitor intending to request an advisory hearing or lodge a protest must advise the race committee, but preferably the race officer, of their proposed action as soon as possible after finishing the race concerned and before leaving the race area and coming ashore.

14.3 Protest forms are available in the Sloop at Chichester Yacht Club. Protests and requests for redress or reopening shall be delivered there within the appropriate time limit.

14.4 For each fleet, the protest time limit is 60 minutes after the last boat has finished the last race of the day.

14.5 Notices will be posted on the official notice board no later than 20 minutes after the protest time limit to inform competitors of hearings in which they are parties or named as witnesses.

14.6 Notices of protests by the race committee or protest committee will be posted on the official notice board to inform boats under RRS 61.1(b).

14.7 Breaches of instructions 10.3, 15.1, 16.1, 17.1 and 17.2 and Notice of Race paragraph 2 will not be grounds for a protest by a boat. This changes RRS 60.1(a). Penalties for these breaches may be less than disqualification if the protest committee so decides.

14.8 On the last scheduled day of racing a request for reopening a hearing shall be delivered either within the protest time limit if the requesting party was informed of the decision on the previous day or no later than 30 minutes after the requesting party was informed of the decision on that day. This changes RRS 66.

15.1 Except in an emergency, a boat shall neither make nor receive radio transmissions while racing. This restriction also applies to mobile telephones.

16 Safety Regulations

16.1 Competitors shall wear personal flotation devices adequate for the conditions at all times while racing. International code flag Y will not be displayed. Wet suits and dry suits shall not be considered as adequate personal flotation devices. Also junior competitors shall wear adequate personal flotation devices when on the pontoons. This instructions changes RRS 40. Parents, guardians and those acting in loco parentis are solely responsible for ensuring that young and junior competitors in their care comply with this instruction.

16.2 The helm of every boat intending to race must sign on before going afloat and sign off after returning to the shore. By signing off the helm is indicating that the correct courses have been sailed and the rules obeyed for all races sailed and that all of the boat's crew have returned safely to the shore. A helm shall indicate that he has retired from a race by signing off with the code RTD, DNF or RAF. Helms shall sign off within 60 minutes of finishing the last race of the day.

17 Local Variations

17.1 Competitors are warned that cruisers in the approach channels to the Chichester Marina and Birdham Pool cannot necessarily manoeuvre freely or navigate outside the confines of the channels and hence can not be expected to give right of way to boats racing. Competitors are requested to keep clear of all boats in these channels and are reminded that the International Rules for the Prevention of Collisions at Sea apply between vessels that are racing and those that are not racing.

17.2 Competitors are asked to keep well clear of fishermen's lines whether cast from the bank or from moored boats.

17.3 Competitors are warned that the mud bank known as Monkey Island, situated between Chichester Yacht Club and the Monkey racing mark, has shallow patches and dries out well before low water.

18 Prizes

Prizes may be awarded at the event organiser's discretion and depending on the number of entries.
